### Annual Sponsorship Campaign 2024-2025

Dear Sponsor,

We are rebuilding our Royal Volleyball community – **Many Players-One Team-Limitless Possibilities!**

Only a portion of the actual cost of operating Hopkins athletic teams comes from the School District. We are asking for your support to ensure that our team has everything needed to be at their best on the court, all season long. We are excited to accommodate 60+ scholar athletes through five Hopkins Volleyball teams!

Any amount helps us to meet our fundraising goal. Funds will be used in the following ways:

- Coach Stipends and Needs, Additional Training Opportunities/Resources
- Equipment Replacement and Replenishment, Supplies, Senior Acknowledgment
- Team Support/Celebration: team dinners, banquet, apparel, team bonding events

We are hosting two community events this year – the Royals Invitational Tournament and our annual Pancake Breakfast. Your sponsorship will be acknowledged at these events along with our seven home games this season. You can also donate any amount to sponsor an individual athlete. Please review the enclosed flyer and let us know how you would like to support Royals Volleyball!
